Memo of Understanding for BSP 3rd Semester & its Learning Agreement

This outlines guiding principles for a framework of expectations that will govern our BSP partnership for a 3rd semester. Given this framework, the student will submit a learning agreement for a BSP 3rd semester by **Tue., June 8, 2021, 11:59pm CT.**

Signed Memo Approves Student's Petition for BSP 3rd Semester

When both the student and BSP advisor sign this document, the student's petition for a BSP 3rd semester is accepted and approved (subject to your Spring grades and Academic Standing).

- Signing the memo is necessary for continuing at SLU for a BSP 3rd semester.
- *NOTE: If a student chooses not to sign the memo, then the student chooses not to submit a petition for a BSP 3rd semester and forfeits their provisional admission.*
 - And the student forfeits this opportunity to continue at SLU for fall semester.

Lastly, the BSP advisor looks forward to collaborating with you, once you sign and submit this memo of understanding according to the deadline noted above.

BSP 3rd Sem. Learning Agreement Shaped by Student, but has 'Safety-Net' (See APPENDIX)

Ideally, the student specifies the content of the learning agreement as informed by what they learned from their first year achievements, disappointments, and extenuating issues (health, family, money, etc.).

- **NOTE: If the student does not submit a mutually agreed upon and signed proposal for their learning agreement by June 30, Wednesday, 11:59pm CT, then the terms of the "Safety-Net" on page three (3) will govern expectations for the student's BSP 3rd semester.**
