

Washington State University
Temporary Transfer of Animals to the WSU IACUC/OCV Holding Protocol
Phone: (509)335-7951

Animal Holding Protocol Request Form

(Please type form, handwritten forms will be returned)

Please Note:

- No experimental or instructional animal procedures are allowed while animals are on the WSU Holding Protocol
- Animal housing *Per Diem* is still charged to the principal investigator's funding code while on the WSU/OCV Holding Protocol.
- Permission must be obtained from the Attending Veterinarian, OCV designee or AWP Assistant Director prior to placement of animals onto the Holding Protocol.
- The PI (or his/her designee) must complete this form.
- For more information, refer to [IACUC Policy #26 Holding Protocol Policy and Use of Holding Protocol](#) posted on the [WSU-IACUC website](#)
